Hi Tomas, yes, we confirmed that the project site is within the 62-mile area (about 50 miles from the Border). We will work with Emily. Thanks, David

Dave, Nancy,

Per our discussion, if Excelsior is near the 62-mile border region, we should send a note to SEMARNAT letting them know of our proposed action. Attached is a copy of the actual document, which although decades old now, it still is enforce. If we need to do this, we can consult with Emily Pimentel in LND.

Thx
